

## St. Sabina Green Team

**The St. Sabina Green Team believes:**

God created the Earth and all that lives and that He gave it to us as a gift.

**The St. Sabina Green Team acknowledges:**

we are intricately *a part of* this creation.

**The St. Sabina Green Team believes:**

we are called to cultivate and to care for this gift.

**The St. Sabina Green Team believes:**

all creation deserves our respect and has its own integrity.

**The St. Sabina Green Team chooses to hope and believe:**

through the efforts of humanity we can live in harmony with God's creation.
