This Week's Do You Know Video:

The preferential option for the poor, a recent term in Catholic Social Teaching, roots itself in scripture and tradition going back to Jesus himself. The Latin American church understood the church to be of and for the poor, redressing an imbalanced image of the church as siding with the upper class and wealthy landowners. God loves all, the rich and the poor. But God hears the cry of the poor and challenges the rich in their responsibility to care for the poor, the vulnerable and the marginalized. Pope Francis, the first Latin American pope, clearly states that "No one is dispensable." Make time to view this week's DYK video and be challenged by the demands of a preferential option for the poor.

Parish Breakfast - Oct 31

On Sunday, October 31 our Knights of Columbus are hosting a parish breakfast. All are welcome to come over to the gym from 9am-Noon and enjoy some pancakes, eggs, and sausage. There is no cost, but donations will be accepted.

En Nuestro Video ¿Sabes...? de Esta Semana:

La opción preferencial por los pobres, un término reciente en la Enseñanza Social Católica, tiene sus raíces en la escritura y la tradición que se remonta al mismo Jesús. La iglesia latinoamericana entendió que la iglesia era de y para los pobres, corrigiendo una imagen desequilibrada de la iglesia como del lado de la clase alta y los terratenientes ricos. Dios ama a todos, ricos y pobres. Pero Dios escucha el grito de los pobres y desafía a los ricos en su responsabilidad de cuidar a los pobres, los vulnerables y los marginados. El Papa Francisco, el primer Papa latinoamericano, afirma claramente que "nadie es prescindible". Tómese un momento para ver el video ¿Sabes? de esta semana y sienta el desafío de las demandas de una opción preferencial por los pobres.

Desayuno Parroquial - 31 de Octubre

El domingo 31 de octubre, nuestros Caballeros de Colón ofrecerán un desayuno parroquial. Todos están invitados a venir al gimnasio de 9am al mediodía y disfrutar de hot cakes, huevos y salchichas. No hay costo, pero se aceptarán donaciones.

Into the Breach

A message from the Knights of Columbus - Council 5586 St. Sabina Catholic Church

Into the Breach series takes on the subject of today's men and their role as a husband, father, friend, neighbor, leader, and protector of our church.

Family

Men's service of their family and their vocation as a husband and father requires faith, dedication, and sacrifice.

Fatherhood

The presence and involvement of a loving father is critical in the development of a child. True fatherhood models itself on God the Father.

Brotherhood

Man was not meant to "go it alone", but to be in communion with others. It is important to build close friendships with other men in faith.

Leadership

Men must become leaders through developing their character. True leadership seeks greatness and brings out the greatness in others.

Today we proclaim the second account of the healing of a blind man from Mark's gospel. The first narrative, 8:22-26, sets the tone for the whole middle section of Mark, 8:22-10:52, by focusing on what true "seeing" demands. **This middle section of Mark is a manual focused on who Jesus is and what discipleship entails.**

Throughout Mark's gospel "seeing" has been associated with coming to know the truth about self, Jesus and discipleship. Throughout this section, the disciples are having a difficult time seeing. Their sight seems to be so impaired that one is left wondering whether they will ever understand or "see." **Three times Jesus plainly explained that discipleship involves suffering, persecution, rejection, service, being least of all, having no status, position or authority.** Yet, every time the disciples do not understand or refuse to enter Jesus' mind set.

In last Sunday's reading, James and John, after hearing Jesus clearly expound this message of suffering, cross and life-giving service for all, request of Jesus that they sit at his right and his left when Jesus enters into his kingdom. Jesus responds with the reaffirmation of suffering and service as the only way to the kingdom. Yet the disciples do not seem to get it. **The curing of Bartimaeus is a transition story, climaxing all the lessons of this middle section and setting the theme for the passion narrative which begins with Jesus' entry into Jerusalem in chapter 11. It sums up Mark's middle section by clearly displaying what true discipleship entails.**

Jesus is in Jericho, fifteen miles northeast of Jerusalem. This popular pilgrimage stop would have attracted many people, especially beggars looking for help. As Jesus draws close to Jerusalem, he is certain that his disciples still do not know what discipleship entails. On hearing about Jesus passing by, Bartimaeus yells out for Jesus to have pity on him, titling him "Son of David." Bartimaeus is silenced by Jesus' disciples. Undeterred, Bartimaeus yells even louder, asking Jesus for pity.

© J. S. Paluch Co., Inc.

Jesus asks his disciples to call him over and Bartimaeus rushes to Jesus, throwing aside his cloak. He leaves all he has to respond to Jesus' call. **Jesus asks him the same question that he asked James and John just a few verses before: "What do you want me to do for you?"** Instead of the obviously blind request of James and John for power and prestige, **Bartimaeus asks simply: "Master, I want to see."**

The literalness of this request is obvious. The symbolic aspect is more involved. The request asks for a true understanding of who Jesus is and what faith and discipleship demand. **Jesus responds with words that address both levels of the request: "Go your way, your faith has saved you."** A blind person has been able to understand and respond to Jesus, while his own disciples, able to physically see, continue with their vision impaired.

In the end it is the blind man Bartimaeus who teaches what **true seeing entails.** The episode and this section of Mark ends with Bartimaeus receiving his sight, leaving all behind, and immediately following

Jesus on the way. What is that way? It is the road that Jesus has been on and will soon complete – the road to Jerusalem. **The road is one of suffering, humiliation and pain. Yet it is the only road to resurrection and glory. There is no other.**

Bartimaeus chose to follow Jesus on that road. **Are we willing to imitate Bartimaeus? Or will we, like the disciples, need a miracle before we understand and respond to Jesus' call of discipleship?** Are we willing to admit that our vision is impaired? Are we willing to ask Jesus to help us see clearly what following him demands? **"Master, I want to see."**

Gospel: Mark 12:28-34

Hoy proclamamos el segundo relato de la curación de un hombre ciego del evangelio de Marcos. La primera narrativa, 8:22-26, establece el tono para toda la sección intermedia de Marcos, 8:22-10:52, al centrarse en lo que exige el verdadero "ver". **Esta sección intermedia de Marcos es un manual centrado en quién es Jesús y lo que implica el discipulado.**

A lo largo de todo el evangelio de Marcos, el "ver" se ha asociado con conocer la verdad sobre sí mismo, Jesús y el discipulado. A lo largo de esta sección, los discípulos tienen dificultades para ver. Su vista parece estar tan dañada que uno se queda preguntándose si alguna vez entenderán o "verán". **Tres veces Jesús explicó claramente que el discipulado implica sufrimiento, persecución, rechazo, servicio, siendo uno de los más pequeños, sin estatus, posición ni autoridad.** Sin embargo, cada vez, los discípulos no entienden o se niegan a entrar en la mentalidad de Jesús.

En la lectura del domingo pasado, Santiago y Juan, después de escuchar a Jesús exponer claramente este mensaje de sufrimiento, cruz y servicio para todos, piden a Jesús que se sienten a su derecha y su izquierda cuando Jesús entre en su reino. Jesús responde con la reafirmación del sufrimiento y el servicio como el único camino hacia el reino. Sin embargo, los discípulos no parecen entenderlo. **La curación de Bartimeo es un cuento de transición, que reúne todas las lecciones de esta sección intermedia y establece el tema de la narrativa de la pasión que comienza con la entrada de Jesús a Jerusalén en el capítulo 11.** Resume la sección intermedia de Marcos al mostrar claramente lo que implica el verdadero discipulado.

Jesús está en Jericó, a quince millas al noreste de Jerusalén. Esta parada de peregrinación popular hubiera atraído a muchas personas, especialmente a los mendigos que buscaban ayuda. Cuando Jesús se acerca a Jerusalén, está seguro de que sus discípulos aún no saben lo que implica el discipulado. Al escuchar que Jesús pasa, Bartimeo le grita a Jesús que tenga piedad de él y lo titule "Hijo de David". Bartimeo es silenciado por los discípulos de Jesús. Sin desanimarse, Bartimeo grita aún más fuerte, pidiendo lástima a Jesús.

Jesús le pide a sus discípulos que lo llamen y Bartimeo se apresura hacia Jesús, tirando su manto a un lado. Deja todo lo que tiene para responder al llamado de Jesús. **Jesús le hizo la misma pregunta que le hizo a Santiago y a Juan unos pocos versos antes: "¿Qué quieres que haga por ti?"** En lugar de la solicitud obviamente ciega de Santiago y Juan del poder y prestigio, **Bartimeo pide simplemente: "Maestro, que pueda ver".**

La literalidad de esta petición es obvia. El aspecto simbólico es más complicado. La solicitud pide una verdadera comprensión de quién es Jesús y lo que exigen la fe y el discipulado. **Jesús responde con palabras que abordan los dos niveles de la solicitud: "Vete; tu fe te ha salvado".** Una persona ciega ha podido entender y responder a Jesús, mientras que sus propios discípulos, capaces de ver físicamente, continúan con su visión defectuosa.

Al final, es el ciego Bartimeo el que enseña lo que implica el verdadero ver. El episodio y esta sección de Marcos terminan con Bartimeo recibiendo su vista, dejando todo atrás, e inmediatamente siguiendo a Jesús en el camino. ¿Cuál es ese camino? Es el camino en el cual Jesús ha estado y pronto completará: el camino a Jerusalén. **El camino es uno de sufrimiento, humillación y dolor. Sin embargo, es el único camino a la resurrección y la gloria. No hay otro.**

"Jesus said to him in reply, 'What do you want me to do for you?' The blind man replied to him, 'Master, I want to see.' Jesus told him, 'Go your way; your faith has saved you.' Immediately he received his sight and followed him on the way."

Mark 10:51-52

Our Gospel story closes with the miraculous moment when Bartimaeus is healed. The conversation with Jesus was simple. Jesus asked Bartimaeus what he would like Him to do. This man, blind for who knows how many years, desired sight. Jesus responded, "Go your way; your faith has saved you." He was healed and continued to follow Christ. There was not much that Bartimaeus had to do to become healed. All he needed was his undoubting faith. Whatever it is that we are struggling with in this life, all Jesus asks of us is to have faith in Him. As a result, we will remain steadfast in our relationship with Christ and will have the strength to keep going. And although we might not be healed in this life, Jesus still hears our confident cries. And through our faith we will surely be healed in the next.

"Entonces le dijo Jesús: '¿Qué quieres que haga por ti?' El ciego le contestó: 'Maestro, que pueda ver'. Jesús le dijo: 'Vete; tu fe te ha salvado'. Al momento recobró la vista y comenzó a seguirlo por el camino."

Marcos 10:51-52

Nuestra historia del Evangelio se cierra con el momento milagroso en que Bartimeo es curado. La conversación con Jesús fue sencilla. Jesús le preguntó a Bartimeo qué le gustaría que hiciera. Este hombre, ciego por quién sabe cuántos años, deseaba ver. Jesús respondió: "Vete; tu fe te ha salvado". Fue curado y continuó siguiendo a Cristo. Bartimeo no tuvo que hacer mucho para ser sanado. Todo lo que necesitaba era su fe indudable. Sea lo que sea con lo que estemos luchando en esta vida, todo lo que Jesús nos pide es que tengamos fe en Él. Como resultado, permaneceremos firmes en nuestra relación con Cristo y tendremos la fuerza para seguir adelante. Y aunque es posible que no seamos sanados en esta vida, Jesús todavía escucha nuestro llanto confiado. Y a través de nuestra fe seguramente seremos sanados en el próximo.

World Mission Sunday Collection - Oct 24

On this World Mission Sunday, Pope Francis reminds us of our baptismal call - to respond as missionaries, saying "We cannot but speak about what we have seen and heard" (Acts 4:20). Today we respond to that call, through our prayers and personal sacrifices for our brothers and sisters in the Missions - in places like Uganda where people face food uncertainty and violence... in the Philippines where local clergy face martyrdom... in Oceania where people's livelihoods are threatened by climate change... and in remote regions of Latin America where people are hearing the Gospel for the first time. Respond this World Mission Sunday by supporting the priests, religious Sisters and Brothers, and lay catechists who provide loving service to those most in need. Thank you!

Apelación Católica Anual y Renovación de la Corresponsabilidad

La Apelación Católica Anual 2022 (ACA) proporciona los fondos para los ministerios pastorales, educativos y caritativos de la Diócesis de Kanas City—St. Joseph. El tema de la ACA de este año 2022, "a fin de capacitar al pueblo de Dios para la obra de servicio, para edificar el cuerpo de Cristo" Efesios 4:12, nos llama a unirnos como pueblo de Dios para vivir y compartir la fe que profesamos como llevamos a cabo la misión de Jesucristo. Cuando reciba el correo de invitación para la Apelación Católica Anual y la Renovación de la Corresponsabilidad parroquial del Obispo Johnston y el P. Jeff, por favor, tómese el tiempo para leer la información detenidamente y considere en oración al contemplar su ofrenda de sacrificio a nuestra parroquia y a la ACA.

Domingo Mundial de las Misiones - 24 de Oct

En este Domingo Mundial de las Misiones, el Papa Francisco nos recuerda de nuestro llamado bautismal - para responder como misioneros, diciendo, "No podemos dejar de hablar de lo que hemos visto y oído" (Hch 4,20). Hoy respondemos a ese llamado, a través de nuestras oraciones y sacrificios personales por nuestros hermanos y hermanas en las Misiones - en lugares como Uganda donde las personas enfrentan la incertidumbre alimentaria y la violencia... en Las Filipinas donde el clero local enfrenta el martirio... de América Latina donde la gente escucha el Evangelio por primera vez. Responda a este Domingo Mundial de las Misiones apoyando a los sacerdotes, a las hermanas y hermanos religiosos, y a los catequistas que brindan un servicio amoroso a los más necesitados. Gracias.

El Salvador Scholarship Students

St. Sabina currently supports 11 university students in El Salvador. Over the next several weeks we will highlight one student a week. If you would like to support Keyly and our other 10 scholarship students, please place your donation in the collection basket and label it El Salvador Scholarship Fund. Thank you.

Keyly Jasmin Gonzalez Rivera

Keyly is from the community of San Nicolas, just outside of Cinquera, and is 18 years old. She is currently in her first year of study at the Catholic University of El Salvador and her field of study is Nursing. She is expected to graduate in 2024 and her grade point average last semester was 8.4.

Keyly lives with her mother, Morena, who is 62 years old, a homemaker and received a 3rd-grade education.

Below please read Keyly's comments about the Scholarship program, her challenges and her future plans.

WHAT IMPACT HAS THE SCHOLARSHIP PROGRAM HAD ON YOUR LIFE?

The program has been of a great help for me, as it's giving me the opportunity to pursue my university education. I had already dropped out of school, as my parents couldn't afford my education. My mother and I are very committed to the program, as I want to finish my course work and graduate in the expected time.

WHAT IMPACT HAS THE SCHOLARSHIP PROGRAM HAD ON YOUR COMMUNITY?

The scholarship program is very well known in my community. Many youth have had an opportunity to achieve their dreams. In San Nicolas, there are several former scholarship recipients who graduated thanks to this amazing program.

WHAT HAVE BEEN YOUR GREATEST OBSTACLES IN ORDER TO CONTINUE YOUR EDUCATION?

Through this pandemic it has been very hard to continue studying virtually. Where I live there is not good reception, and I have to go to Cinquera every day to be able to receive my classes. Transportation to university is also an obstacle, as I have to travel 25 kilometers and I'm exposed to robberies and accidents. Bus drivers also drive unsafely, and are often mean to their passengers.

WHAT ARE YOUR PLANS AFTER GRADUATING FROM HIGH SCHOOL OR UNIVERSITY?

Personally, I want to be at the service of my community, as the knowledge I have acquired in the field of nursing is very valuable. I also want to find a job.

Becados en El Salvador

Sta. Sabina actualmente apoya a 11 universitarios en El Salvador. Durante las próximas semanas destacaremos a un estudiante por semana. Si desea apoyar a Keyly y a nuestros otros 10 becados, coloque su donación en la canasta de la colecta y etiquétela como Fondo de Becas de El Salvador. Gracias.

Keyly Jasmin González Rivera

Keyly es de la comunidad de San Nicolás, en las afueras de Cinquera, y tiene 18 años. Actualmente se encuentra en su primer año de estudios en la Universidad Católica de El Salvador y su campo de estudio es Enfermería. Se espera que se gradúe en 2024 y su promedio de calificaciones el semestre pasado fue de 8.4.

Keyly vive con su madre, Morena, quien tiene 62 años, es ama de casa y recibió una educación de tercer grado.

A continuación, lea los comentarios de Keyly sobre el programa de becas, sus desafíos y sus planes futuros.

¿QUÉ IMPACTO HA TENIDO EL PROGRAMA DE BECAS EN SU VIDA?

El programa ha sido de gran ayuda para mí, ya que me brinda la oportunidad de continuar con mi educación universitaria. Ya había abandonado la escuela porque mis padres no podían pagar mi educación. Mi madre y yo estamos muy comprometidos con el programa, ya que quiero terminar mi trabajo de curso y graduarme en el tiempo esperado.

¿QUÉ IMPACTO HA TENIDO EL PROGRAMA DE BECAS EN SU COMUNIDAD?

El programa de becas es muy conocido en mi comunidad. Muchos jóvenes han tenido la oportunidad de alcanzar sus sueños. En San Nicolás, hay varios ex becarios que se graduaron gracias a este increíble programa.

¿CUÁLES HAN SIDO SUS MAYORES OBSTÁCULOS PARA CONTINUAR SU EDUCACIÓN?

A través de esta pandemia ha sido muy difícil seguir estudiando virtualmente. Donde vivo no hay buena recepción, y tengo que ir a Cinquera todos los días para poder recibir mis clases. El transporte a la universidad también es un obstáculo, ya que tengo que recorrer 25 kilómetros y estoy expuesto a robos y accidentes. Los conductores de autobuses también conducen de manera insegura y, a menudo, son malos con sus pasajeros.

¿CUÁLES SON SUS PLANES DESPUÉS DE GRADUARSE DE LA ESCUELA SECUNDARIA O LA UNIVERSIDAD?

Personalmente, quiero estar al servicio de mi comunidad, ya que los conocimientos que he adquirido en el campo de la enfermería son muy valiosos. También quiero encontrar trabajo.
