Green Team Tip of the Week

In the U.S., we use 500 million straws a day! That is enough straw waste to wrap the circumference of the earth 2.5 times or to fill Yankee Stadium over 9 times in a year! Now imagine that magnified by global consumption! <https://thelastplasticstraw.org>.

Over 55 Potluck and Trivia - August 8th

Come and join our Over 55 group for a potluck lunch and trivia on Wednesday, August 8th at noon in the parish hall. Sarah Noble, our new coordinator for our Over 55 group, will be here and is excited to meet all of you! Please bring a potluck dish of your choice to share. We thank Estelle Lewis for all of her work with our Over 55 group over the past several years!

Blood Drive - July 15

Our next blood drive will be held on Sunday, July 15th from 8am-1pm in the gym. Please consider sharing your time. Each donation saves lives!. Here are 10 facts about blood donations.

1. You cannot get AIDS or any other infectious disease by donating blood.
2. Fourteen tests, 11 of which are for infectious diseases, are performed on each unit of donated blood.
3. Any company, community organization, place of worship or individual may contact their local community blood center to host a blood drive.
4. People donate blood out of a sense of duty and community spirit, not to make money. They are not paid for their donation.
5. Much of today's medical care depends on a steady supply of blood from healthy donors.
6. One unit of blood can be separated into several components (red blood cells, white blood cells, plasma, platelets and cryoprecipitate).
7. Red blood cells carry oxygen to the body's organs and tissue.
8. There are about one billion red blood cells in two to three drops of blood.
9. Red blood cells live about 120 days in the circulatory system.
10. Platelets help blood to clot and give those with leukemia and other cancers a chance to live.

Walk-in appointments are welcome! Stop in after Mass on Sunday, July 15th to share the gift of life!

Pupusa Sale - August 5

Our Romero Committee will have a pupusa sale on Sunday, August 5th. A pupusa is a thick stuffed tortilla which is grilled. Each pupusa is \$2 and we will have 4 varieties available:

You can purchase pupusas after Masses. Or if you'd like to avoid the wait, stop at our table on your way to Mass to place your order. All proceeds will be used for our annual Romero Celebration.

This Week's Do You Know

Video:

On July 12, 2018 we celebrate the fifteenth anniversary of the dedication of St. Sabina Church. The dedication of a church is significant in that the community, through its bishop, consecrates a specific building and all that it contains in order to help us focus on what it means to be church, namely the "pilgrim people of God." The altar, the ambo, the walls, and all that is used by the community whenever it gathers are sprinkled with holy water, are anointed with chrism, are lighted with the light of Christ and are clothed with the garments that aid our liturgical life. We are the church, who gather in a church building to celebrate our life in Christ and to be continually reminded of our mission in the world. More detailed explanations and a collage of pictures are part of this week's DYK video. As we celebrate our fifteenth anniversary this coming Sunday, make time to check out this week's video at www.stsabinaparish.org and click on the Do You Know Series link.

Stewardship/Information

"Jesus summoned the Twelve and began to send them out two by two and gave them authority over unclean spirits. He instructed them to take nothing for the journey but a walking stick—no food, no sack, no money in their belts. They were, however, to wear sandals but not a second tunic."

Mark 6: 7-9

As long as we trust in God, our needs will be met. That is easily said, but it is a bit daunting to actually do it. Yet, people have been doing that since Jesus' time. At that time there was a rule that you could not enter a temple area with shoes or a moneybag, because you were there to serve the Lord, nothing else and no one else. The Apostles understood that preaching the Gospel and healing in God's name was holy work. Jesus did not want them to exemplify any other motive. One of the foundational elements of stewardship is trusting God. What enables us to be good stewards and to think of giving to God first, of ourselves and what we have, is that we truly believe that God will take care of us. God has a plan for each of us, and it is better than our own plan may be. — See more at www.catholicsteward.com/blog/

VBS in Anapra, MX—Help Needed

Once again, Manos Amigas is sponsoring Vacation Bible School for 150 children in Anapra, Mexico. VBS is from July 16-August 2. It is held in one room with one teacher and 8 fans. Challenging but fun. Thank you to Paulette Samson for creating the curriculum and Raul Felix for adapting and recording bible stories into puppet shows. We still need financial help with the daily snack. For some kids, this is the only food they will have that day. It costs about \$150 per day to feed the group. You can help by sending your money to Manos Amigas, 700 Trevis, Belton, MO or

donating online through our parish online giving portal.

Reflection on the Readings

Mark's gospel presents Jesus as the one sent by God to establish the reign or kingdom of God by confronting and ultimately defeating the forces of evil. In the words of Mark, Jesus has come to "bind the strong man," namely Satan, and plunder his house or domain. **Jesus' whole life and ministry are directed towards preaching repentance, a turning away from sin, and bringing God's healing presence and touch to all people.** When Jesus chooses disciples and sends them out on ministry, he commissions them to continue, deepen and intensify the work he has begun.

This Sunday's gospel focuses on Mark's Jesus sending forth his disciples on mission. He sends them forth to heal, giving them authority over unclean spirits, while preaching repentance and reconciliation. At the same time, Jesus prepares them by advising them to travel light and to be ready for rejection and possible failure. **Today's readings guide us in being faithful to our evangelizing task even in the midst of opposition and rejection.**

Responsorial Psalm 85 centers on God's enduring covenant love (kindness) as the source of all that sustains us. This faithful love relationship is the source of peace, of continual attunement to the Lord, of justice and truth, and of all that aids us in being faithful witness to the Lord's presence. **We are sent to preach not doctrine, but God's enduring faithful love, enabling others to experience that love through our lives and actions.** This Sunday we are invited to call upon the Lord and sing, "Lord, let us see your kindness, and grant us your salvation."

The first reading from the prophet Amos exemplifies a significant aspect of what fidelity to God's covenant entails. In our desire and mission to share God's love with others, some might not be ready or open to receiving that message. **God's love demands that we change our way of acting and thinking towards ourselves and others.** Some are not ready or willing to do so, resulting in an attack of the messenger and the message. Such experiences can be discouraging and debilitating. Yet, like Amos, we are to focus on God's covenant love and mission as the source of our strength and courage. **God has set us on this evangelizing path, and God will sustain us in whatever struggles surface.**

The letter to the Ephesians gets at the core of God's

covenant love with all humanity. **God calls all people into relationship, choosing and loving us freely and completely.** In Christ, God manifested the richness and abundance of that love, and we are the beneficiaries of God's saving love and redemption. **Being chosen by God, we have the responsibility to proclaim that choice and love to all we encounter.** God's love is all inclusive. It is up to others to open themselves up to it. It is up to us to continually proclaim that love with our lives.

As Mark narrates Jesus' story, he emphasizes the importance of the mission to establish the kingdom of God. God's covenant love is available to all, but Mark also consistently highlights the opposition to Jesus and his mission. **Establishing God's kingdom demands a change of mind and heart, a movement away from the powers of evil and a movement towards God.** This process of repentance and conversion is usually resisted by those who find it too challenging or opposed to their own perceived way of living and acting. Such opposition results in rejection, persecution and oppression of those who desire to cooperate in building up the kingdom of God.

In Baptism we commit ourselves to continue the mission and ministry of Jesus by building up God's reign wherever we are planted. We model ourselves on Jesus who walked that same path, trusting in God's love, wisdom, and guidance, no matter how challenging the road. **Can we, like Jesus, have hope, courage and trust in God that building up the kingdom through reconciliation and healing are ultimately worthwhile, no matter the risks involved?**

This week, take time to reflect on your baptismal commitment to carry out Jesus' mission and ministry of reconciliation and healing for the world. Ask God for help and strength in your commitment to build up God's kingdom.

Bible Study

Catholics are mostly exposed to the Bible through the Sunday Lectionary Readings. In order to help us all enter into the Bible through the Sunday readings, we offer study sessions that provide an opportunity to read, to study background to the readings, and to reflect on how to apply the readings to our lives. **Our next Bible Study date is July 22 at 10:30am in the conference room.** All are welcome; bring a Bible. To register, call Biagio at 816-979-3153.
